# ReAction

Lots of color choices combined with the durable performance of resilient rubber. The slip resistant textured finish combined with a solid color surface satisfies the most stringent design requirements. Manufactured using a virgin rubber top-layer vulcanized to a recycled rubber base ensures a very durable, non-porous floor finish providing ideal protection and safety.

- ❖ Attractive, Great Wearing, Rubber Tile Flooring
- ❖ ReAction Tile are available as square cut or interlocking!
- ❖ 5 Year Limited Warranty!

## SPORTFLOOR ADHESIVE

Stick it down with the best! Use SportFLOOR polyurethane-based adhesive. (All adhesives must be non-solvent based.)

*Note: Adhesive is not required with interlocking tile option.*
