# PROGYM PLANK

ProGym Plank by Matéflex takes modular athletic flooring to the next level in beauty and functionality. ProGym Plank is the first solid-top tile that marries quality floor finishes with the versatility and durability of a raised modular floor in a plank form.

ProGym Plank has a unique construction that allows for airflow and keeps the surface away from potential dampness. Each tile is a single, snap-together unit for easy installation. Best of all, you can quickly and easily install vinyl flooring where other products can't go.

ProGym Plank is ideal for gyms, aerobics, basketball courts and many other sport flooring solutions!
